

# Day Dream

Sophie Milman

Lalala-a (lalala-a)

Yeah

Lalala-a (lalala-a) I coulda been the one you noticed

I coulda been the one for you

I coulda been like all the others

Is that what I'm supposed to do? I don't wanna be disappointed,  
and I don't want to have to prove

How I really feel about you

But would you even have a clue I try to be sensitive

I try to be tough

I try to walk away...

I try to be innocent

I try to be rough

But I just wanna play

You're my daydream, you know that I've been thinking about you... lately

And everytime I look at you

I can't explain how I feel inside, I can't get away

You're my daydream If I tell you what I'm thinking,

If I let myself trust you

Can you give me what I'm missing

Can you make my dreams come true I try to be sensitive

I try to be tough

I try to walk away,

I try to be innocent

I try to be rough

But I just wanna play You're my daydream, you know that I've been thinking about you... lately

And everytime I look at you

I can't explain how I feel inside, I can't get away

You're my daydream

I've always wanted someone

I've been waiting so long

Could you be that someone

Are you my, are you my, you're my, you're my-yy You're my daydream, you know that I've been thinking  
about you... lately

And everytime I look at you

I can't explain how I feel inside, I can't get away

You're my daydream And you know, and you know, and you know, and you know,

You're making me insane

And you know, and you know, and you know, and you know,

You're doin' it again  
And you know, and you know, and you know, and you know,  
You're making me insane  
And you know, and you know, and you know,  
You're doin' it again
