Values Here

Dag Nasty

What'd you say
when I said
we'll be here through tomorrow
in my heart and in my head
Fear of failure
Fear of reprimand
Two big problems I've never had
I never doubted what I have inside
what I have inside
Values here
in my heart
and we'll be here through tomorrow
Every day's a brand new start
Fear of failure
Fear of reprimand
Two big problems I've never had
I never doubted what I have inside
what I have inside
Fear of reprimand
Two big problems I've never had
I never doubted what I have inside
wh
at I have inside
