

# Values Here

## Dag Nasty

What'd you say  
when I said  
we'll be here through tomorrow  
in my heart and in my head  
Fear of failure  
Fear of reprimand  
Two big problems I've never had  
I never doubted what I have inside  
what I have inside  
Values here  
in my heart  
and we'll be here through tomorrow  
Every day's a brand new start  
Fear of failure  
Fear of reprimand  
Two big problems I've never had  
I never doubted what I have inside  
what I have inside  
Fear of reprimand  
Two big problems I've never had  
I never doubted what I have inside  
wh  
at I have inside
