

Alibis

Gregory Douglass

donâ€™t stop only one way down
Only one way down
Only one way down down down.

donâ€™t stop â€™till youâ€™re freedom bound
â€™till youâ€™re freedom bound
â€™till you fail to fight these

(chorus)

Sane alibis, insane alibis
Sane alibis, insane alibis
Sane alibis, insane alibis
Sane alibis, insane alibis

That note doesnâ€™t make much sense
doesnâ€™t make much sense
doesnâ€™t make much sense at all

I feel whatâ€™s the consequence?
Whatâ€™s the consequence?
What if I repent these

(chorus)

Youâ€™re first, then you fade in memory
You are first, then you fade in memory
You are first, then you fade in memory
You are first, then you fade in memory

You are, oh, you are and youâ€™re always gonna be
You are, oh, you are and youâ€™re always gonna be
You are, oh, you are and youâ€™re always gonna be

donâ€™t stop only one way down
Only one way down Only one way down down down.

donâ€™t stop â€™till youâ€™re freedom bound
â€™till youâ€™re freedom bound
â€™till you fail to fight these

(chorus)
