Reality

Electronic

You keep calling but I'm not at home' to give me your explanation
I'm not waiting on the telephone with a feeling of frustration
I always thought that if you understood
You'd clean up this mess and you'd do me some goodI don't need you anymore, I'm not the man you're looking for
I don't need you anymore, I'm not the man you're looking forCan't you see there's nothing in your head and your body's on vacation
I keep hearing what I never said, you got me in your conversation
Now it's too late and you get what you see
I don't like this hatred, it just isn't meI don't need you anymore, I'm not the man you're looking for
I don't need you anymore, I'm not the man you're looking for
I don't need you anymore, I'm not the man you're looking for
I don't need you anymore, I'm not the man you're looking forI don't need you anymore, I'm not the man you're looking for
I don't need you anymore, I'm not the man you're looking for
I don't need you anymore, I'm not the man you're looking for
I don't need you anymore, I'm not the man you're looking for
