

Time Is Love

Josh Turner

I know I gotta put in the hours,
Make the money while the sunlight shines
But anything I gotta get done,
It can get done some other time
Time is love, gotta run,
Love to hang longer,
But I got someone who waits,
Waits for me and right now
She's where I need to be,
Time is love, gotta run
I only get so many minutes,
Don't wanna spend 'em all on the clock
In the time that we spent talkin',
How many kisses have I lost?
Time is love, gotta run,
Love to hang longer,
But I got someone who waits,
Waits for me and right now
She's where I need to be,
Time is love, gotta run.
Gotta fly, fly
Before one more moment goes by
Time is love, gotta run,
Love to hang longer,
But I got someone who waits,
Waits for me and right now
She's where I need to be
Time is love, gotta run,
Love to hang longer,
But I got someone who waits,
Waits for me and right now
She's where I need to be,
Time is love, gotta run.
Time is love, gotta run
