

Wild Dogs

Biggles Flys Again

This baggage handcuffed to my wrists
I drag it everywhere I go
Sometimes I fight you with my fists
But if I knew which way was home

That's where I'd go, if I knew which way was home
Before the karma cut me free
I'm sick of my own company
Sometimes I miss the boat
Most times I miss my home

Thats where I'd go, if I knew which way was home
Run down ghost trail, no chance for love
No sign of life, just wild dogs howlin' in the night
Oh, that's what I like
Before the karma cut me loose
Would bring my whiskey and my water
Sometimes I get them blues
Though I know I shouldn't oughta

Thats where I'd go, if I knew which way was home
Run down ghost trail, no chance for love
No sign of life, just wild dogs howlin' in the night
Run down ghost trail, no chance for love
No sign of life, just wild dogs howlin' in the night
Run down ghost trail, no chance for love
No sign of life, just wild dogs howlin' in the night
Hear 'em howl
