

Sad Sad Story

The Ethics

Let me sing a song about you love
If you understand what I know
It's a very sad story
What made my true love leave?
(Why'd you ever leave me?)
Oh I'll never know

I've tried I've tried I've tried.. to keep us close
Walking out my door
Oh I'm so brokenhearted now
She's gone forevermore.

My baby left me cause she knew just how I felt
And ran into the arms of another man
She left me with this cheesy face
Lord, this is my story
A story of love.

I hope you understand how I feel
Every word I say is true
If your baby ever left you
I know you feel the same way too
I've tried I've tried I've tried to keep us close
Walking out my door
Oh I'm so broken hearted now
She's gone forevermore
And this is my story

The little girl she's
