

Twinkle Song

Miley Cyrus

I had a dream
Davie Bowie taught us how to skateboard but he
Was shaped like Gumby
And I had a dream, we took a helicopter
Flew it up too high
Got stuck in the clouds, don't wanna come down
And I had a dream, we went on a safari
I said look at that lion
She reminds me of you 'cause you're the queen
And I had a dream that you were dying
But I wasn't even crying
I just sang you to sleep, I sang you to sleep But what does it mean?
What does it all mean?
I had a dream
But what did it mean, what did it mean? And I had a dream we robbed the record store
The one with the yellow door
We stole every goddamn record they had
And I had a dream that I didn't give a fuck
But I give a fuck
I miss you so bad, I think I might die But what does it mean
What does it all mean?
I had a dream
But what did it mean, what does it mean, I just wanna scream
What does it mean, what does it mean, I just wanna scream
I just wanna scream, I just wanna scream What does it mean?
What does it mean, what does it mean, I had a dream
But what does it mean, what does it mean, I had a dream
But what does it mean, what does it mean, what does it all mean? And I had a dream, we were being chased by a
monster
Or maybe they were aliens
But I wasn't scared cause you were there
And I had a dream, we took karate
That's when you said you loved me
You loved me But what does it mean?
What does it all mean, what does it mean?
What does it all mean?
Fuck, yeah
