

Let There Be Light

Bellarive

There is a Light
That won't be overcome
In darkest night
You bring the morning song
Sing over me
You know I need it
You will lead us all Home
There is a Light
Chasing the human heart
The breath of Life
Redeeming every part
Breathe over me
You know I need it
You will lead us all Home
So, lead us So, let there be Light
Let there be Love
Living in freedom
Let there be Grace
Like rivers run to the ocean
Here in this moment
As heaven and earth collide
Break down the walls, open our eyes
Let there be Light
Let there be Light Whoa, oh oh oh oh
Whoa oh oh oh oh oh oh oh
Whoa, oh oh oh oh
Whoa oh oh oh oh oh oh oh
There is a Love
Casting out every fear
Poured out in Blood
To draw the sinner near
Wash over me
You know I need it
You will lead us all Home Yes, You will lead us all Home So, lead us Let there be Light
Let there be Love
Living in freedom
Let there be Grace
Like rivers run to the ocean
Here in this moment
As heaven and earth collide

Break down the walls
Open our eyes
Let there be Light, let there be LightWhoa, oh oh oh oh
Whoa oh oh oh oh oh oh ohMay Your Kingdom come
May Your will be done hereMay Your Kingdom come
May Your will be done hereMay Your kingdom come
May Your will be done hereMay Your Kingdom come
May Your will be done hereMay Your Kingdom come
May Your will be done hereLet there be Light

Let there be Love
Living in freedom
Let there be Grace
Like rivers run to the ocean
Here in this moment
As heaven and earth collide
Break down the walls

Open our eyes
Let there be Light
Let there be LightGlorious, glorious Light
As heaven and earth
Heaven and earth collide
