

You're Everything

David Crowder Band

You're everything I could want
That I could need
If I could see, You want me
Could I believe?'Cause You're perfectly
All I want and all I need
If I could just feel Your touch
Could I be free?Why do you shine so?
Can a blind man see?
Why do You call?
Why do You beckon me?Can the deaf hear the voice of love?
Would You have me come?
Can the cripple run?
Are You the one?To raise me up from this grave
Touch my tongue and then I'll sing
Heal my limbs
Then joyfully I'll run to YouRaise me up from this grave
Touch my tongue and then I'll sing
Heal my limbs
Then joyfully I'll run to YouEverything I could want
That I could need
I can just feel Your touch
I can breatheLook, how You shine so?
The blind can see
And how You call
How You beckon meThe deaf hear the voice of love
You beg me come
And the cripple run
You're the oneTo raise me up from this grave
Touch my tongue and then I'll sing
Heal my limbs
Then joyfully I'll run to YouRaise me up from this grave
Touch my tongue and then I'll sing
Heal my limbs
Then joyfully I'll run to You'Cause You're everything
You're everything
You're everything
You're everythingAnd I'm alive and I'll sing
I'm alive and I'm free
I'm alive and I'll sing

I'm alive and I'm free I'm alive and I'll sing
I'm alive and I'm free
I'm alive and I'll sing
I'm alive and I'm free Yeah, I'm free, I'm free
Free, free, free, free
