Autoerotic (Abstinence Mix By Fini Tribe)

Front Line Assembly

Understand with reason
Cause their ain't no way of pleasin'
Cause the thing that's in effect
Turns out to be respectGotta get up
Gotta get down
Gotta put the fear
In the groundAlso weak in their minds
Also fake, also blind
Lies and lust and hate
In the end it's too lateAll the tears that were wept
All the friendships that were swept
Was it worth it was it swell
Only time and death will tell
After all is said and done
And we reach the final sum
Take Your heart in Your hand
And alone You will stand
