

# Country Honey

**T. Rex**

Take me down to the country honey,  
Take me down to the country honey,  
    In a jeep that`s sweet,  
    In a jeep that`s neat,  
Take me down to the country honey. Take me down to the sea-side baby,  
Take me down to the sea-side baby,  
    In a jeep that`s neat,  
    In a jeep that`s sweet,  
Take me down to the country honey.
