

James

You're going to murder in the name of God  
What kind of God you dreaming of?  
A God of blood not love  
So, you can get your 72  
Virgins to abuse  
I hope they kick like mules  
War, war  
My God's bigger than your God  
He made the world run out of puff  
More important things to do  
War, war  
It's black, it's white, a fight  
An elephant gray  
There's this universe at stake  
We get in the way  
Go left, go right, straight on  
Just do what they say  
There's a universe at stake  
We get in the way  
It's black, it's white, a fight  
An elephant gray  
There's a universe at stake  
We get in the way  
Go left, go right, straight on  
(War)  
Just do what they say  
There's a universe at stake  
(War)  
We get in the way  
War, war, war, war
