

Let It Ride

Big Sugar

Goodbye, I lied
Don't cry, would you let it ride?
Goodbye, I lied
Don't cry, would you let it ride? You can't see the mornin' but I can see the light
Try, try, try to let it ride
While you've been out running, I've been waiting half the night
Try, try, try to let it ride Would you cry if I told you that I lied
And would you say goodbye or would you let it ride?
And would you cry if I told you that I lied
And would you say goodbye, would you let it ride? Babe, my life is not complete, never see you smile
Try, try, try to let it ride
Baby, you're not the forgiving kind, that's just not my style
Try, try, try to let it ride Would you cry if I told you that I lied
Or would you say goodbye, would you let it ride?
Yeah, would you cry if I told you that I lied
Or would you say goodbye, would you let it ride? You've been doing things worthwhile, I've been bookin' time
Try, try, try to let it ride Would you cry if I told you that I lied
And would you say goodbye, would you let it ride?
And would you cry if I told you that I lied
Or would you say goodbye, would you let it ride? Yeah, would you cry if I told you that I lied
And would you say goodbye, would you let it ride?
Would you let it ride? Would you let it ride?
Would you let it ride? Would you let it ride?
