

Shine Like It Does

INXS

This is the power
Since time began
Every single hour
That we have known
And from each moment
 All that is left
 Sleep of the innocent
Just one desireShine like it does
 Into every heart
 Shine like it does
 And if you're looking
 You will find it
 This is the story
 Since time began
 There will come a day
When we will knowShine like it does
 Into every heart
 Shine like it does
 And if you're looking
 You will find it
 Shine like it does
 Into every heart
 Shine like it does
 And if you're looking
 You will find it
 You will find it
 You will find it
 You will find it
