

Miss Vicious

Fefe Dobson

Leave me alone
I don't like you, go home
Where've you been?
I'm calling you
Are you home, Miss Vicious I can't live without your kiss
Are you home, Miss Vicious? Stop, don't want it
Stop, can't have it Get away from me
And leave me alone
You're driving me crazy
And I want you to know
You better leave me alone
(I don't like you, go home) We're the same, two in one
Gonna get you, gonna make you run
Don't dare scream, you're all I am
I was born to be your only friend Stop don't want it
Stop can't have it Get away from me
And leave me alone
You're driving me crazy
And I want you to know
You better leave me alone
(I don't like you, go home) Where've you been?
I'm calling you
Are you home, Miss Vicious? Get away from me
And leave me alone
You're driving me crazy
And I want you to know
You better leave me alone
(I don't like you, go home) Get away, you're not my friend
You're driving me crazy
I'm gonna make it end
You better leave me alone
I don't like you go home Here I am, I feel you
