The Other Side

No Fun At All

I see the light
The shiny, shiny neon
Rain in my eyes, partially blind
Shiny, shiny neonDon't know what I'll find
I'm hoping for the good life
Walking around, biding my time
Waiting for the good lifeSo I'm going over to the other side
And I do
Oh, I'm going over to the other side
And I do tonight alrightI'm crossing the line
Of lasting, lasting reasons
Pride in my eyes, totally blind
Lasting, lasting reasonsI'm having no doubts
No chance of hesitation
Shadow inside burn so bright
Chance of hesitationI was in a coma
Deep down drifting from reality
Then a sweet aroma
And I knew I was aliveI was in a coma
Deep down drifting from reality
Then a sweet aroma
And I knew I was alive
In time I'll be doing fine
