## **Jetstream**

## **Lusine ICL**

It's only one more day

Can you wait my plane will be arriving shortly

Right there at the gate, I pray that you'll be waiting right there for me

This time could be what we've both been searching for

Our whole lives waking up, I'm coming back for more

Leave your baggage behind

You won't need it tonight

Enjoy your flight

JET

(J E T)

You are so good for me

(You are so good for me)

You are my jet stream lover

You're how I wanna be

(Just how I wanna be baby)

JET

(J E T)

You are so good for me

(You are so good for me)

You are my jet stream lover

You're how I wanna be

(Just how I wanna be baby)

We're so high, I'm watching all the clouds drift by below me We should try, it's been so long since I made you cry Long live love, I just can't get enough of you

I need that engines push, it's gonna take me home to you

JET

(J E T)

You are so good for me

(You are so good for me)

You are my jet stream lover

You're how I wanna be

(Just how I wanna be baby)

JET

(J E T)

You are so good for me

(You are so good for me)

You are my jet stream lover

You're how I wanna be

```
(Just how I wanna be baby)
```

You were meant to be

(We will be dimming the lights, for this evening's entertainment, enjoy)

Home with me

JET

(J E T)

You are so good for me

(You are so good for me)

You are my jet stream lover

You're how I wanna be

(Just how I wanna be baby)

JET

(J E T)

You are so good for me

(You are so good for me)

You are my jet stream lover

You're how I wanna be

(Just how I wanna be baby)

You are so good for me

(You are so good for me)

You are so good for me

(Just how I wanna be baby)

But you're gone

(But you're gone)

Don't let it go

(Don't let it go)

If you don't try

(If you don't try)

How will you know?

(How will you know?)
