Behave

Christa Gniadek

You've got
Something I can't take
Something I can't break
You've got

And I want
Your arms around my waist
Your breath on my face
I want

Now it's too late
To tell me to behave
Ohh it's too late
To tell me to behave

You know
When the light hits your lips
I can't resist it
And you know

So I guess
The wall that you erect
Will be keeping me vexed
I guess

Now it's too late
To tell me to behave
Ohh it's too late
To tell me to behave

Too far into what you are
What you are
Too far into what you are
What you are

And now it's
Too late
To tell me to behave

Oh it's

Too late to tell me behave
