

# Behave

Christa Gniadek

You've got  
Something I can't take  
Something I can't break  
You've got

And I want  
Your arms around my waist  
Your breath on my face  
I want

Now it's too late  
To tell me to behave  
Ohh it's too late  
To tell me to behave

You know  
When the light hits your lips  
I can't resist it  
And you know

So I guess  
The wall that you erect  
Will be keeping me vexed  
I guess

Now it's too late  
To tell me to behave  
Ohh it's too late  
To tell me to behave

Too far into what you are  
What you are  
Too far into what you are  
What you are

And now it's  
Too late  
To tell me to behave

Oh it's

Too late to tell me behave
