

Know Yourself (Bpace Remix)

Drake

Yeah, this that Oliver 40
Niko shit man, 15 Fort York shit ya know
Boi-1da, what's poppin'?Yeah, yeah
Runnin' through the 6 with my woes
Countin' money you know how it goes
Pray the real live forever man
Pray the fakes get exposed
I want that Ferrari then I swerve
I want that Bugatti just to hurt
I ain't rockin' my jewelry that's on purpose
Niggas want my spot and don't deserve it
I don't like how serious they take themselves
I've always been me I guess I know myself
Shakiness man I don't have no time for that
My city too turnt up I'll take the fine for that
This been where you find me at
That's been where you find me at
I know a nigga named Johnny Bling
He put me on to the finer things
Had a job sellin' Girbraud jeans
I had a yellow TechnoMarine
Then Kanye dropped, it was polos and backpacks, there
That was when Ethan was pushin' a Subaru hatchback
Man I'm talkin' way before hashtags I was runnin' through the 6 with my woes
Yeah!
I was runnin' through the 6 with my woes
You know how that shit go
You know how that shit go
You know how that shit go
Runnin' through the 6 with my woes
You know how that shit go
You know how that shit go
You know how that shit go Don't fuck with them niggas they too irrational woah
This is that nasty flow
Top boy in this shit, I'm so international
Reps up in here got P Reign and Chubby and TJ and Winnie an woah
Yeah, and you know how that shit go
I might declare it a holiday as soon as Baka get back on the road
Yeah but you know how that shit go

They so irrational, they don't wanna patch it up
They wanna mash it up, whoa
My nigga Jibba he whip it I ride in the passenger
I'm way up, I stay up, I'm two up, I'm three up
I had to get back to you, whoa
I'm turnin' into a nigga that thinks about money and women
Like twenty-four seven, that's where my life took me
That's just how shit happened to go
And you know Runnin' through the 6 with my
With my
I was runnin' through the 6 with my woes
And you know how that shit go
You know how that shit go
You know how that shit go
Runnin' through the 6 with my woes
You know how that shit go
You know how that shit go
You know how that shit go
Runnin' through the 6 with my woes
You know how that shit go With my woes
