Somewhere, Someday

Jennifer Paige

When clouds above you, start to pour
And all of your doubts, rage like a storm
And you don't know, who you are anymore
Let me help you find, what you've been searchin' for(Somewhere)
Somewhere there's a field and a river
You can let your soul run free
(Someday)
Someday let me be the giver
Let me bring you peace(Somewhere)
Somewhere there's a break in the weather
Where your heart and spirit go free
(Someday)
Someday it'll be for the better
Let me bring you peaceI know you think no one sees
The weight on your shoulders
But you can't fool me
And aren't you tired, of standing so tall
(Ooh ohh)
Let me the one, to catch you when you fall(Somewhere)
Somewhere there's a field and a river
You can let your soul run free
(Someday)
Someday let me be the giver
Let me bring you peace(Somewhere)
Somewhere there's a break in the weather
Where your heart and spirit go free
(Someday)
Someday it'll be for the better
Let me bring you peaceLet me bring you joy
(Joy)
Let me bring you peace
(Peace)
Take the tears that you cry, trust them to me
(Trust)
Let me give you heart
(Give you heart)
And give you hope
(Hope)
Be the one constant love

(Ohh)
That you've never known(Somewhere)
Somewhere there's a field and a river
(Somewhere)
You can let your soul run free
(Someday)
Someday let me be the giver
Let me bring you peace
(Ooo ooh)(Somewhere)
Somewhere there's a break in the weather
(Somewhere)
Where your heart and your spirit go free, ohh ohh
(Someday)
Let me bring you peace(Somewhere)
Somewhere there's a field and a river
(There's a field and a river)
You can let your soul run free
(Someday)
Someday let me be the giver
(Bring the rain)
(Ooo ooh)(Ooh somewhere)
Somewhere there's a break in the weather
(Somewhere, someday)
Where your heart and your spirit go free
(Someday)
Someday let me be the giver
(Let me bring you peace)
