Love / Hate

Dru Hill

Love is great to me that's why I should be your boyfriend. Love you like a baby girl you know yo body desever a man like me. Love can go to the max. I love the way you walk,talk,and smile. Hate is the pain in the soul and baby that what you are giving me. Hate can cause us to fall out of love.

Love is good, Hate is pain. Love shouldn't be replaced,Hate can always be replaced
love me Hate me What's next.
