

# Nobody Knows Me (Mount Sims Old School mix)

## Madonna

I've had so many lives  
Since I was a child  
And I realise  
How many times I've died  
I'm not that kind of guy Sometimes I feel shy  
I think I can fly  
Closer to the sky  
No ones telling you how to live your life  
But it's a setup until you're fed up This world is not so kind  
People trap your mind  
It's so hard to find  
Someone to admire  
I I sleep much better at night  
I feel closer to the light  
Now I'm gonna try To improve my life  
No ones telling you how to live your life  
But it's a setup until you're fed up  
It's no good when you're misunderstood  
But why should I care? What the world thinks of me  
Won't let a stranger  
Give me a social disease  
Nobody, nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me...  
No ones telling you how to live my life  
But it's a setup, and I'm just fed up  
It's no good when you're misunderstood  
But why should I care? What the world thinks of me  
Won't let a stranger  
Give me a social disease  
I I sleep much better at night I feel closer to the light  
Now I'm gonna try  
To improve my life  
Nobody, nobody, nobody, nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me  
\*Nobody knows me Nobody knows me

Nobody knows me  
Like, like you know me  
Like you know meLike you know me  
Like you know me  
Like you know me

\*(Its no fun but the damage is done

Don't want your social disease

Don't want your social disease)

\*\*Nobody knows me

Nobody knows me

Nobody knows me

Like you know me

Nobody knows me

Nobody knows me

Nobody knows me

Don't want your social disease
