

Ode to a Friend

Jann Arden

I don't mind if you stay longer
You have not been any trouble
I don't want you to go home yet
Can you stay just stay ten more minutes? You are my best friend
I don't know how I'd live
How I love you every square inch
Love your brown eyes, your forgiveness Don't go home now
It's past midnight
You can sleep here
We'll have breakfast, yes You are my greatest gift
I don't know how I'd live
You are my saving grace
You are by heart my true friend
