Take Me To Your World

Tammy Wynette

If you can find it in your hear to just forgive
I'll come back and live the way you've wanted me to live
All I want is just to be your girlPlease come and get me, and take me to your world
Take me to your world, away from bar rooms filled with smoke
Where I won't have to serve a drink, or hear a dirty joke
All I want is just to be your girlPlease come and get me, and take me to your world
Take me to your world, make me forget the things I've heard
Where people say I love you, and love is not a dirty word
All I want is just to be your girlPlease come and get me, and take me to your world
