

I'm Still in Love with You

New Edition

Still in love
I'm still in love
With you
Still in love, listenOh what can I do girl
So much in love girl
But your friends got you thinkin'
And it's affecting youWhat can I do girl
So in love girl
And I don't know what to do
'Cause I don't wanna lose youNo what would I do without your love
Baby it's heaven sent from above
So you don't believe
What your friends tell you about meI'm still the man for you
And I'm still the man that's true
And I'm still the man who's lucky
And I'm still in love with youIt don't matter what your friends do
They're just jealous of me and you
And I'll always keep you happy
'Cause I'm still in love with you
I'm still in love
YeahTime passes so fast babe
I wish it would last babe
'Cause I know in my heart
That my life ends and starts with youAnd baby I know that this feeling
I'm feeling just won't let me go away
'Cause you're the first true love I've ever knownSo what would I do without your love
Baby it's heaven sent from above
And I know that in my heart
I'm the best for youI'm still the man for you
And I'm still the man that's true
And I'm still the man who's lucky
And I'm still in love with youIt don't matter what your friends do
They're just jealous of me and you
And I'll always keep you happy
'Cause I'm still in love with youOh what can I do to write this love
I know that it makes me happy
To be in love with you soI'm still the man for you
And I'm still the man that's true
And I'm still the man who's luckyAnd I'm still in love with you

It don't matter what your friends do
They're just jealous of me and you
And I'll always keep you happy'Cause I'm still in love with you
I'm still in love, no one loves you
Like I love you girl, I still love you
I'm in love with youI'm still the man for you baby
And I'll always make you happy
I'll always be there baby
'Cause I'm still in love
I'm still in love with you
