All I Do

Evilsons

All I do is think of you
Day and night, that's all I do
I can't get you off my mind
I think about you all the time
All the time, girl
I can't wait to get to school each day
And wait for you to pass my way
And bells start to ring
An angel starts to sing
Hey, that's the girl for you
So what are you gonna do?
Hey, little girl, I love you so
All I do is think of you
Day and night, that's all I do
I can't get you off my mind
I think about you all the time
All the time, girl
I've begun to take the long way home
Just so I can be alone
To think of how to say
You're fine in ever way
Hey, I'm in love with you
I think the world of you
Oh, wouldn't you please
Please be mine?
All I do is think of you
Day and night, that's all I do
I can't get you off my mind
I think about you all the time
All the time, girl
Ba ba ba bada, ooh
Always thinking 'bout you
Ba ba ba bada, ooh
Always thinking 'bout you
Ba ba ba bada, ooh
Always thinking 'bout you
Ba ba ba bada, ooh
Always thinking 'bout you
All I do is think of you

Day and night, that's all I do
I can't get you off my mind
I think about you all the time
I can't think, I can't sleep
I can't talk , I can't walk
I can't do it, girl
No, no, no, no, no, no
Yea, yea, yea
