

Anything Goes (With The Count Basie Big Band)

[Tony Bennett](#)

In olden days a glimpse of stocking
Was looked on as something shocking
Now heaven knows, anything goes
Now only use four letter words writing prose,
And black's white today and day's night today
When most guys today that women prize today
Are just silly gigolos
I know that you're bound to answer
When I propose, anything goes
Was looked on as something shocking
Now heaven knows, anything goes
Now only use four letter words writing prose
Cause anything goes
And black's white today and day's night today
When most guys today that women prize today
Are just silly gigolos
I know that you're bound to answer
When I propose, anything goes
I want you to know anything goes
