

Stacked Like That

[Chixdiggitt](#)

My big brother said
If I weren't so skinny
I'd be off the couch
And my phone would start ringingHey, when you're
Stacked like that, stacked like that
Stacked like that, stacked like that
You know you can't go wrongMy soccer coach said
If I wasn't so limited
I'd be on the pros
And all the girls would be into meHey, when you're
Stacked like that, stacked like that
Stacked like that, stacked like that
You know you can't go wrong
