

# God Be with You

## The Cranberries

the truth can never hide  
even though i tried  
they tried to take my pride  
but they only took my father from me  
they only took my father  
even though i'd cried  
even though i tried

god be with you ireland  
god be with you ireland

sometimes i was afraid  
even though i prayed  
i thrust my religion down  
you took that too somehow  
blood upon thy hands  
blood upon thy hands

god be with you ireland  
god be with you ireland  
god be with you ireland  
god be with you ireland
