Truth Is a Lie

Day26

Ay
Ohh ohh
oohhhahhh
ha ha

Forget about the
picture i painted in your head of a beautiful you and me
you might as well forget about the
way you use me, abuse me thought we really were a family (yeah)

you knew i was weak for love
so you wrote me love letters
sweeter than a peach
you relax me like a beach
i got skies so deep
I've been gettin cold feet

(Even the truth is a lie)
The truth is, love can be so ruthless
You is so (bad) ya know ya so (bad)
(But you wouldn't be the baddest I've ever had)

Even the truth is a lie
We can never stay together
We've tried too many times
the truth, the, the, the truth
Maybe I'm wrong and it's all in my mind
Feels like I'm dreamin' of happier days with you
Even the truth is a lie
the truth, the, the, the truth,
the, the, the truth, the, the, the truth

I just, just as well? forget about the
Arguing, fussin, fightin, cops beatin down my front door
girl it aint worth it over you
Her body hid my control over me mistaken lust for love
I finally had enough of your bull, what you tryna pull
mami
don't try me

you wont find me

you knew i was weak for love
so you wrote me love letters
sweeter than a peach
you relax me like a beach (shawty)
i got skies so deep (shawty)
I've been gettin cold feet

(Even the truth is a lie)
The truth is, love can be so ruthless
You is so (bad) ya know ya so (bad)
(But you wouldn't be the baddest I've ever had)

Even the truth is a lie
We can never stay together
We've tried too many times
the truth, the, the, the truth
Maybe I'm wrong and it's all in my mind
Feels like I'm dreamin' of happier days with you
Even the truth is a lie
the truth, the, the, the truth,
the, the, the truth, the, the, the truth'

So we never say never, girl
Promise I'm never getting back with you
After all the shit you put me through
Had to learn, let to burn, I was firm with my love
for it never was enough (woahh ohh ohh)
Had to sue for the number, my new number one curse
You look flyer than every girl, no i didnt st-st-stutter

Even the truth is a lie
Truth is a lie
The truth is a lie
The truth is a lie

Everything ya show me
And everything ya told me was a lie
Why did ya do me this way
I said it hurts so bad
I cried at night
wooahhhawooo
said i cried at night
baby the truth was a lie
The truth was a lie
