

# Everyday Of My Life

## Open Skyz

With everyday of my life  
I can surely see now where I am going  
And everyday of this year  
I can clearly see I ain't wasted any time, no time at all

With everyday of my life  
I've tried so hard to keep it on going  
(How can I keep it on going)  
But other people around keep on draggin' me down to the ground

Drag me down to the ground  
They don't know, move too slow

With everyday of my life  
I am slowly growing tired of excuses  
And every question I raise  
Getting nothing but hurt and abuses from your mind

Don't mind at all, I don't mind at all, no, no

Don't know why life's hard for us  
'Cause we sure do try  
Forget your cares and worries  
You know that we'll get by, yes, we'll get by

Don't need your help or sympathy  
Ain't getting down on bended knee  
Sooner or later you'll discover  
Don't turn your back on your own brother

With everyday of my life  
I can surely see now where I am going  
An everyday of this year  
I can clearly see I ain't wasted any time, no time at all
