## Mortal Love

I had to get my mind off you.  
I had to stop pretending 'cause we're through.  
I'll go somewhere you can't reach me,  
Somewhere you cannot hurt meYou'll never break my heart again  
- I won't let you  
You'll never break my heart againI had to see through your lying  
The way you treated me is why I'm dying  
I'll never think of you again  
For you and me this is truly the endYou'll never break my heart again  
- I won't let you  
You'll never break my heart again
