

# New Beginning (interlude)

Swv

Coko, Lelee, Taj

The new beginning, the new beginning, the new beginning

This our new beginning

(New beginning)

Gotta make some new decisions

(New beginning)

No more time for hesitation

(New beginning)

Jesus is our inspiration

(New beginning)

A new beginning, a new beginning for us

(New beginning)

A new beginning, a new beginning for love

(New beginning)

A new beginning, a new beginning for me and you

(New beginning)

A new beginning, a new beginning for love

(New beginning)
