

# Good Name

## William Onyeabor

Good name is better than silver and gold  
And no money, no money, no money, no money, no money can buy good name  
I have a good name; I have a good name  
And no money, no money, no money, no money, no money can buy my name  
Do you have a good name; do you have a good name?  
Then no money, no money, no money, no money, no money should buy your name  
I mean what I am saying  
And no money, no money, no money, no money, no money can buy good name  
Good name is better than silver and gold  
And no money, no money, no money, no money, no money can buy good name  
I mean what I am saying  
That no money, no money, no money, no money, no money can buy good name  
Good name is better than silver and gold  
And no money, no money, no money, no money, no money can buy good name  
Do you have your conscience; do you have your conscience?  
Then no money, no money, no money, no money, no money should buy your name  
I have my conscience; I have my conscience.  
And no money, no money, no money, no money, no money can buy my name  
Good name is better than silver and gold  
And no money, no money, no money, no money, no money can buy good name  
Good name is better than silver and gold  
And no money, no money, no money, no money, no money can buy good name  
I have a good name; I have a good name  
And no money, no money, no money, no money, no money can buy my name  
Do you have a good name, do you have a good name?  
Then no money, no money should buy your name  
I mean what I am saying  
That no money, no money, no money, no money, no money can buy good name  
Don't sell your conscience; don't sell your conscience  
As no money, no money, no money, no money, no money can buy good name  
Good name is better than silver and gold  
And no money, no money, no money, no money, no money can buy good name  
C'mon  
Good name is better than silver and gold  
And no money, no money, no money, no money, no money can buy good name
