Cherokee Cry

Rebel Meets Rebel

Talk about indian rights and wrongs
Sing a few more freedom songs
Look to the spirit, ride the wind

Let's not walk that trail of tears againDigging up our sacred grounds

Won't you leave the dead alone

Let the eagle fly and the buffalos roam

And give us back our homeCherokee cry

Cherokee cry

Cherokee cry

Cherokee cryRight up front I want my freedom back

I know about Geronimo's Cadillac

That's how you got us on the reservation

Don't talk to me about segregationDigging up our sacred grounds

Won't you leave the dead alone

Let the eagle fly and the buffalos roam

And give us back our homeCherokee cry

Cherokee cry

Cherokee cry

Cherokee cry

Set me free, yeahCry, oh, cherokee cry

Cry, oh, cherokee cry

Cry, oh, cherokee cry

Cry, oh, cherokee cry
