Letting Go (feat. Aaron Lewis) (Acoustic Live)

Lo-Pro

Three years lost now with one phone call
But I can't stop you it's not my fault
Nothing I do is good enough, so this is over
This is overAnd I am letting go off you
And everything we've been through
I am finally over you
So I am letting go off youI'm letting goIt doesn't have to be this way
I wish that you had more faith in me
But if you can't trust me I can't stay
And this is over, this is over tonightAnd I am letting go off you
And everything we've been through
I am finally over you
So I am letting go off youAnd I seem to have lost a thousand pounds
And I feel like I am weightless
It seems like it's a long way down
But I feel like I can make it on my ownAnd I am letting go off you
And everything we've been through
I am finally over you
So I am letting go off you
