

# Visions of Eden

Virgin Steele

(LILITH:)

You Lust for me in the Night  
Child of Madness Burning Bright  
Kill us now for we're too wise  
Bring your Laughter to our eyes...

To Rise on the Sky... To the Soul Of Dead lack Seas... Waiting to be born...Lies on the Wind bearing Shapes in  
the Sky

Misfortunes in our Paradise

Blind stealing God wielding Dark streaks of Light  
Grief runs like Blood piercing WhiteHide the Sky with Sadness  
How to end your \*\*cking Reign(LILITH & EVE:) These are the Cries of the World  
(LILITH:) Ancient miscarriage of Laws that we made

(GOD:)

In the Dark I am bleeding  
Calling for Plagues on your Soul(LILITH/EVE:)  
White Fire-Black Rain Where Angels die  
White Fire-Black Rain Leaving this Life for a lie  
White Fire-Black Rains Where Angels die  
White Fire-Black Rain Leaving this life for a lie  
For a lie...(GOD:) Die in the Sea bearing hatred of me  
(SAMAEL:) This War is All against All(BLACK ANGELS:)  
For what you Transgress we condemn you to Death  
Witness our Pale Kingdom's Horse(LILITH:)

Unite the Sky with Gladness

How to end your stubborn Reign

(EVE & LILITH:) These are the Cries of the World  
(LILITH:) Ancient miscarriage of Laws that we made  
(GOD/BLACK ANGELS:) In the Dark I am seething waiting to tear our your Soul!(LILITH:)  
Listen to me I don't deceive I am the Shadow of things that will be  
Endless Sorrow we'll never know alone in the World as the Vision foretold  
Out of the Fire, out of the Rain, I will return with the Pale broken Moonlight  
Rising Unchained, Rising on Mist, Rising again with Sumerian Moonlight...(LILITH & EVE:)  
Death of a Life, Death of a Soul, Death of us All...

VISIONS OF EDEN...

Death of a Life, Death of a Soul, Death of us All...  
VISIONS OF EDEN...(BLACK ANGELS:) Cursed by the Gods...  
(LILITH:) Hieros Gamos, Hieros Logos...  
(EVE:) When Wisdom becomes Understanding...  
(SAMAEL:)

You didn't know of the Danger, you will see by their Eyes Black  
Undercover a Stranger... you will see by their Eyes inside...(LILITH & EVE:)  
Death of a Life, Death of a Soul, Death of us All...  
VISIONS OF EDEN...  
Death of a Life, Death of a Soul, Death of us All...  
VISIONS OF EDEN... Oh... VISIONS OF EDEN... do we cry for thee(LILITH:) I am called SHE after the  
storm...  
(EVE:) HEAR YOURSELVES INTO SPEECH NOW...  
(LILITH:) I am the Shadow of things to be born...  
(EVE:) To BECOME...  
(LILITH:) Out of the Sea, like never before...  
(EVE:) TO BECOME GOD IS HUMAN...  
(LILITH:) I am restored to the First Ground Of Being!(LILITH:)  
I will return gliding on Mist, I will recover the Pale broken Moonlight  
I will re-till this desert soil, call for me now at the Birth of the New World...Rape of a Life, Rape of a Soul,  
Rape of us All  
(BLACK ANGELS / ALL:) VISIONS OF EDEN  
(LILITH:) Why do we Live, Why do we Die, When will we Know  
(BLACK ANGELS / ALL:) VISIONS OF EDEN...(LILITH:)  
Oh, oh... VISIONS OF EDEN, I cry to thee  
Now we Know... Pains... Oh... Pain unending...(ALL:) VISIONS OF EDEN(LILITH:)
