

# Somebody That I Used To Know

## Walk Off The Earth (Featuring Sarah Blackwood)

Now and then I think of when we were together  
Like when you said you felt so happy you could die  
I told myself that you were right for me  
But felt so lonely in your company  
But that was love and it's an ache I still remember  
You can get addicted to a certain kinda sadness  
Like resignation to the end, always the end  
So when we found that we could not make sense  
Well you said that we would still be friends  
But I'll admit that I was glad that it was over  
But you didn't have to cut me off  
Make it like it never happened and that we were nothing  
I don't even need your love, but you treat me like a stranger  
And that feels so rough  
No, you didn't have to stoop so low  
Have your friends collect your records  
And then change your number  
Guess that I don't need that though  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now and then I think of all the times you screwed me over  
But had me believin it was always something that I'd done

But I don't wanna live that way  
Reading into every word you say  
You said that you could let it go  
And I wouldn't catch you hung up on somebody that you used to know-oh-oh  
But you didn't have cut me off  
Make it like it never happened and that we were nothing (oh)  
I don't even need your love, but you treat me like a stranger  
and that feels so rough  
(oh)  
No, you didn't have to stoop so low  
Have your friends collect you records  
And then change your number (oh)  
Guess that I don't need that though  
Now you're just somebody that I used to know  
Somebody that I used to know

Somebody (now your just somebody that I used to know)  
That I used to know  
Somebody that I used to know  
Somebody (somebody) (now your just somebody that I used to know)  
That I used to know  
I used to know  
That I used to know  
I used to know  
Somebody
