

Deeper, Dig Deeper

Carlos Santana

Deeper, deeper
Dig, dig, deeper, deeperDeeper, deeper
Dig, dig, deeper, deeperGet a little closer
You don't have to be afraid
You have to trust your inner pilot
Don't let it drift awayDig a little deeper
You gotta get it in your soul
Reach out with your spirit
And let your feelings showDig, dig, deeper, deeper
Deeper, deeperYou can't deny the feeling
That touches you inside
When you're tired and lonely
You don't have to lose your prideTake the time to listen
Stay a little while
Got a song to sing for you
Let the music get you higher, higherDeeper, deeperDeeper, deeper
Deeper, dig, dig, deeperDeeper
Deeper
Deeper
