

Wishing Well

The Moth & the Flame

You've got a heart of...
But all they see is...
You've got a heart of...
But all they see is...You're a wishing well
See to others' wishes, well,
Really it's a vicious spell
When you're so dizzy you can't tell
I wish that you were with us nowEveryone you know
Flip their hopes to you
Wishing for a life
That you can't offer them
I always feared for you
Day of reckoning
But you won't stop for air
[But not have lungs for it]You're a wishing well
See to others' wishes, well,
Really it's a vicious spell
When you're so dizzy you can't tell
You're a wishing well
See to others' wishes, well,
What you were only wanted for
What you were only wanted for
I wish that you were with us nowYou've got a heart of gold
But all they see is bronze
You've got a heart of gold
But all they see is bronzeI wish you well
I wish you well
I wish you well
I wish you well
Well...
