Menacing Mind

The Mud Howlers

Just give me the reason to lie at you
cause your love ain't simple and I feel blue
Just show me the power they say you have
and raise from the ash the love that you hadYou said you were one of a kind
you had me for a while but you lost your chance
and I wont fall again inside your menacing mindI'm tired of fake tales, I'm tired of lies
my heart was fooled by your disguise
You don't have to worry cause I found someone
My road has changed and your not the oneYou said you were one of a kind
you had me for a while but you lost your chance
and I wont fall again inside your menacing mind
