

DAZED & CONFUSED (feat. God)

Die Antwoord

[Verse 1: Ninja & Yolandi]

I miss you, baby love

I'ma see you soon

(Fuck it, I've been so busy, spinning 'round in a whirlwind)

Can't you just come here?

I just wanna be with you

(I'm on a mission, but I'm missing my little girlfriend)

It's cool, you gotta do what you gotta do

(I'm gonna be there soon, yeah baby, tell me what you want to do)

Smoke a fat blunt, and snuggle up beside of you

(Oh motherfuck, there's nothing in the world that I would rather do)[Pre-Chorus: Yolandi]

Zef Gang God of the world, I'm a busy girl

Listen up, baby, we're not good at home

Calling up the green for some medicinal

Weed-fucked, going out, I wanna be invisible

Pop a fat blunt in your mouth, there we go

We here chillin' like a villain, feeling all[Chorus: Yolandi]

Dazed and confused

So cute and paranoid

Dazed and confused

Dazed and confused

So dazed and confused

So cute and paranoid

Dazed and confused

Dazed and confused

So dazed and confused

So cute and paranoid[Verse 2: Ninja]I'm in the fucking zone, yo I've been working out all day

Taking it to the next level, I'll be stepping up my game

Mass murderer, Ninja he don't play

Got no time for a fuckboy, yo I'll put him in his grave

We bring it hard, we make it rock

Soon I'm gonna take a break and go visit my baby love

Let's take a break, let's get away

Fuck it, I think Ninja deserves a little holiday

You, me, jump on a plane

I know where we should go, yo it's gonna be insane

Yo ask your friends if they wanna go

Tell them I got it covered I be making fucking dough

Shrooms, booms fall in the sun, chilling like a villain

Dip in the Caribbean, sipping champagne
Smoking mad weed all day
Everyday[Pre-Chorus: Ninja & Yolandi]
I miss you, baby love
I'ma see you soon
(Fuck it, I've been so busy, spinning 'round in a whirlwind)
Can't you just come here?
I just wanna be with you
(I'm on a mission, but I'm missing my little girlfriend)
Just keep doing what you doing, baby, kill them all
(Soon I'll be energy, then, like a villain, feeling all..)[Chorus: Yolandi]
Dazed and confused
So cute and paranoid
Dazed and confused
Dazed and confused
So dazed and confused
So cute and paranoid
Dazed and confused
Dazed and confused
So dazed and confused
So cute and paranoid
