

# Sports, Sex & Food

## Tweet

Girls, I'm about hip you to some game  
Here we go now  
If you want another date, I'll show ya  
Gather 'round girls, listen closer  
Know about football, basketball too  
Know all the players, know all the rules  
If you gotta know the way, I'll show you  
Pay attention you need to know how to  
Hook up a meal, learn a new move  
The way to his heart is sports, sex and food, food, food  
You need to know about it  
There's a misconception y'all  
Girls, you thinkin' to hard  
You at the club shakin' it all night  
And wonder why you can't find mister right  
Wrong, wrong, wrong  
Girl, you are wrong, wrong, wrong  
It's got to be, you don't know  
All the places you could go  
Gon? to the gym, you ain't gotta be slim  
Just strut your stuff and you'll attract him  
If you want another date, I'll show you  
Gather 'round girls, listen closer  
Know about football, basketball too  
Know all the players, know all the rules  
If you gotta know the way, I'll show you  
Pay attention, you need to know how to  
Hook up a meal, learn a new move  
The way to his heart is sports, sex and food, food, food  
If you wanna keep him, yeah  
Ain't no hair ever kept a man  
Girl go on, switch up your plan  
Contrary to what you need  
In a raggedy ponytail and jeans  
And that's true, true, true  
Baby that's true, true, true  
You ain't gotta take my word  
But I promise you'll get 'em if you do  
Do, do, do

Get 'em if you do, do, do  
If you want another date, I'll show you  
Gather round girls, listen closer  
Know about football, basketball too  
Know all the players, know all the rules  
If you wanna know the way, I'll show you  
Pay attention, you need to know how to  
Hook up a meal, learn a new move  
The way to his heart is sports, sex and food, food, food  
Now girls, I said all that I can say  
It's up to you now  
Know about football, basketball too  
Know all the players, know all the rules  
Hook up a meal, learn a new move  
The way to his heart  
Listen close now  
Know about football, basketball too  
Know all the players, know all the rules  
Hook up a meal, learn a new move  
The way to his heart is sports, sex and food, food, food  
You need to know about it  
Food, food, food
