

Say Hey (I Love You) feat. Cherine Anderson

Michael Franti & Spearhead

(This one goes out to you and yours, worldwide) I say hey, I'll be gone today
But I'll be back all around the way
It seems like everywhere I go
The more I see, the less I know
But I know one thing
That I love you (baby girl)
I love you, I love you, I love you I've been a lot of places all around the way
I've seen a lot of joy and I've seen a lot of pain
But I don't want to write a love song for the world
I just want to write a song about a boy and a girl Junkies on the corner always calling my name
And the kids on the corner playing ghetto games
When I saw you getting down, well, I hope it was you
And when I look into your eyes I knew it was true I say hey, I'll be gone today
But I'll be back all around the way
It seems like everywhere I go
The more I see, the less I know
But I know one thing
That I love you (baby girl)
I love you, I love you, I love you Now I'm not a highly metaphysical man
But I know when the stars are aligned you can
Bump into a person in the middle of the road
Look into their eyes and you suddenly know Rocking in the dance hall moving with you
Dancing in the night in the middle of June
My momma told me don't lose you
'Cause the best luck I had was you I say hey, I'll be gone today
But I'll be back all around the way
It seems like everywhere I go
The more I see, the less I know
But I know one thing
That I love you (baby girl)
I love you, I love you, I love you And I say, rocking in the dance hall, moving with you
I say, hey momma, hey momma, close to you
Rocking in the dance hall, moving with you
I say, hey poppa, hey poppa, close to you
Rocking in the dance hall moving with you
I say, hey momma, hey momma, close to you
Rocking in the dance hall moving with you
I say, hey momma, hey momma, hey momma, hey momma
Hey momma, hey momma, hey momma, hey momma My momma told me don't lose you

'Cause the best luck I had was you
And I know one thing
That I love you I say hey, I'll be gone today
But I'll be back all around the way
It seems like everywhere I go
The more I see, the less I know
I say hey, I'll be gone today
But I'll be back all around the way
It seems like everywhere I go
The more I see, the less I know
But I know one thing
That I love you (baby girl)
I love you, I love you, I love you
I love you, I love you, I love you
I love you, I love you, I love you
I love you, I love you, I love you (Rocking in the dance hall moving with you)
(I say, hey poppa, hey poppa)
(Hey mamma, hey mamma)
(Rocking in the dance hall moving with you)
(Come on, hey poppa, hey poppa) I love you, I love you, I love you
I love you, I love you, I love you
I love you, I love you, I love you
