Call On Me

[Janis Joplin](#)

Well, baby, when times are bad
Now call on me, darling, and I'll come to you
When you're in trouble and feel so sad
Now call on me, darling, come on call on me
And I'll help you, yeahA man and a woman have each other, baby
To find their way in this world, yeah
I need you, darling, like the fish needs the sea
And don't take your sweet, your sweet love from meNow baby, when you're down and feel so blue
And know you won't drown, darling, I'll be there too
You're not alone, I'm there too
And whatever your troubles, darling, I don't careA man and a woman have each other, baby
To find their way in this world, yeah, alright
I need you, darling, like the fish needs the sea
Don't take your sweet, sweet love from me
