Rangers

A Fine Frenzy

The paths have been crossed

The crumbs are gone and the way, and the way is lost

Melancholy phantoms eye our skins

And poisoned apples falling with the windHear the sigh of the trees

Those who enter here never leaveAnd the rangers stream out of their cabins

They are the hunters, we are the rabbits And maybe we don't wanna be found

Maybe we don't wanna be foundFurther in the hole we go

Saddest creatures tugging at our clothes

Cutting through the twilight, sword in hand

Strangers once united against the landAt the sound of the bells

They're pulling paper lanterns from their shelves And the rangers stream out of their cabins

They are the hunters, we are the rabbits

And maybe we don't wanna be found

Maybe we don't want you tracking us downThe rangers stream out of their cabins

Raising their muskets, flashing their badges

But maybe we don't wanna be found

Maybe we don't wanna be foundLets keep hiding, all quiet like

They'll keep seeking but they won't find us

Lets keep living a quiet life

You and I, you and IAnd the rangers stream out of their cabins

They are the hunters, we are the rabbits

And maybe we don't wanna be found

Maybe we don't want you tracking us downThe rangers stream out of their cabins

Raising their muskets, flashing their badges

Well, maybe we don't wanna be found

Maybe we don't wanna be found
