## **Not Bad For A Bartender**

## **Gretchen Wilson**

I stood behind that bar till closing time I served cold beer, warm whiskey and Rotgut wine Now I'm up here on the stage, everybody knows my name And I can't believe how long they wait, in my autograph line Not bad for a bartender or an eighth grade education Pretty good for a backwoods girl, who had to make it on her own I'm on the stool side of the bar these days Buying everyone a round ain't it funny how the tables turn Not bad for a bartender Swingin' doors and cleanin' floors, is all I'd ever known Out of nowhere somehow I found my yellow brick road So when you're broke and paying dues Look at me I'm living proof and if there's hope for me I know there's hope for you Not bad for a bartender or an eighth grade education Pretty good for a backwoods girl, who had to make it on her own I'm on the stool side of the bar these days Buying everyone a round ain't it funny how the tables turn Not bad for a bartender I'm on the stool side of the bars these days Buying everyone a round, ain't it funny how the tables turn Not bad for a bartender, ain't it funny how the tables turn Not bad for a bartender
